The 1000 Year Milestone

Arcadia Memorial Park Brick Program

1000 Bricks for 1000 Years

Life is Full of Memories and Milestones

Peter's graduation, the twins' sixteenth birthday, the new baby. All of these are moments work remembering. Now for the first time ever, you can honor your family's special moments by making them a part of history in Arcadia Memorial Park. For a $50 tax-free, tax-deductible contribution per brick, you can sponsor any number of engraved commemorative bricks to celebrate your family's special "Memories and Milestones."

A Legacy to Call Your Own

The commemorative bricks will be used to pave the walkways of Soldiers Walk around the amphitheater in beautiful Arcadia Memorial Park, a 54 acre island of serenity and memories.

In addition to being a unique gift opportunity, each contribution you make will help fund construction of the park and provide financial support.

Each brick you sponsor will be engraved to your specifications. You can personalize bricks for yourself, your friends or family members. Or you can choose to honor colleagues, clients, or special individuals from church, school and community groups.

Bricks ordered together will be place together in the park, to the extent that this is possible
