In response to COVID-19, we will be implementing some changes in our operations in order to better protect the public, as well as our officers.

Effective today:

- If you have a NON-EMERGENT report to file, we will handle it via telephone or email.
- If you need to file a report, call our office or the Trempealeau County Sheriff's Department Dispatch Center.
- We will direct you to fill out forms that are available on our website. If you do not have access to a computer, we can arrange to get you the necessary forms.

We will of course still be responding to all emergency calls. We will also continue providing pro-active police patrols, including enforcing Wisconsin traffic laws.

We appreciate your patience as we all try to get through these unprecedented events together! This is a fluid situation and will adjust the procedures if anything changes. If you need assistance or have any questions about anything, please do not hesitate to contact us!
