

# PROVIDING STUDENTS OPPORTUNITIES TO **THRIVE**

@arcadiaraiders

School District of Arcadia

@arcadiaraiders

The School District of Arcadia covers approximately 211 square miles, serving the communities of Arcadia, Waumandee, Dodge, and Pine Creek located in Buffalo and Trempealeau Counties in beautiful western Wisconsin.

## FOSTERING A STRONG FOUNDATION

- **Ensuring Academic Success**  
 -IXL allows our students to close skill gaps and build a strong foundation for upper-level classes.  
 -Method Test Prep is a test prep organization that provides students with personalized tutoring. This practice has resulted in higher ACT scores.
- **Advisories** provide direct support in a small group setting for all four years.
- **Academic and Career Planning** provides our students all day career exploration experiences four times per year.
- **Member of TVC 2.0** which gains our students access to additional dual credit courses and expanded career pathway opportunities.
- **Redefining Ready** allows our district to go beyond test scores and focus on mapping out individual paths for each student.

## ADVANCE CAREER OPPORTUNITIES

- **Advance Manufacturing Credentials**  
 -SACA -Industry 4.0 -Solidworks
- **Industrial Credentials**  
 -CNA Academy In-house -Child Care Teacher  
 -EMT located at Western -CDL located at CVTC
- **Youth Apprenticeship** allows students to gain industry experience for high school credit by becoming an apprentice for a local business.
- **Career Pathways with Dual Credit** allows our high school students to obtain high school and college credit within one course. AHS continues to add dual credit courses each year.
- **Advanced Placement Courses** provide our students the opportunity to take rigorous courses with the end result of college credits.
- **Coming Soon! K20 Program** will allow students to start Associate Degrees in Advance Manufacturing, IT, Health Science and Architect and Construction.
